Dear Parents & Caregivers,

The summer is going by so fast, July is here! The children are enjoying many different outdoor and indoor activities. It is a time for being creative and spending more time on social/emotional, large and small motor skills.

As always there are lots of things going on at CCCC. Please make sure to read this newsletter, and check each day for new notices posted all around our school. We want to make sure that you know what is happening to plan accordingly.

Thank you to everyone for being so patient as we transition our children moving up to their next class, leaving for Kindergarten and our new children coming in.

God Bless you and your family,
Much ALOHA,
Teacher Kathy
Director
