Dear Parents & Caregivers,

WOW !! It is summer already, can you believe it?? June is here and our summer program is getting started.

We'd like to let you know that this summer we will be getting wet and messy. We plan on doing a lot of fun hands on activities, both in the classroom and outside on the playground. So please send your child to school in clothes that you don't mind getting dirty.

Our school will have a lot of activity going on in the next few months. There will be students leaving and new students starting. Lots of transition. We thank you for your patience as we say goodbye to our students who are leaving us and hello to the new students who are joining our ohana.

Teacher Grandma, Teacher Tess and I, wanted to say **THANK YOU** for joining us for the graduation & potluck on May 25th and for the wonderful leis and goodies we received. It is greatly appreciated and thank you for always thinking of us !!

Let's all enjoy summer time while it is here!
Thank you God for summer!

Much ALOHA,
Teacher Kathy
Director
